

Hello!

Comprehensive Medical Care is excited to announce a one-day aesthetic event in partnership with CareLife Style! Many patients have been asking Dr Batra about non-invasive fat reduction treatments. Due to the demand, Dr Batra has sought out CareLife Style - a leader in non-invasive body sculpting treatments - to host a one-time, in office event.

What: truSculpt Body Sculpting

State of the art technology used to reduce stubborn pockets of fat in a non-invasive, comfortable, one hour treatment that requires no downtime.

Where: Comprehensive Medical Care

11120 New Hampshire Ave, #300, Silver Spring, MD

When: Wednesday, October 24th

(**note:** only 6 time slots available!)

Event Pricing: \$2250 / treatment (**Standard Pricing:** \$3000 / treatment)

Dr Batra has negotiated a group rate for this event that saves his patients 25%

Ask us about additional savings for those who wish to pay in advance

If you have been thinking about non-invasive body sculpting, now is the perfect opportunity to diminish love handles and belly bulge!

Fair Warning: Due to time constraints, we are only able to offer treatments to 6 patients. This will be done on a first come, first serve basis. Call reception to book and reserve your treatment today.
